News and Updates

Update on Search for Settled Associate Pastor

Now that we are coming out of the pandemic the search team tasked with finding a new settled associate pastor candidate has again begun to meet. The search started in early 2020 however the uncertainty of COVID19 forced us to suspend the search last summer. Two original members of the search team, Seth Forman and Gabe Delatorre, are unable to continue. The team thanks them for their time and input in 2020. Their slots on the team have been filled by Gloria

Hwang-Forzano, Vanessa Kiley and Kim Colby. Gloria and Vanessa are parents of young children and youth, and Kim adds a teenager's perspective to the team. We plan to meet again in July and twice in August to finish the required detailed church profile. Our hope is that by early Fall, our church profile along with the job description for an Associate Minister of Congregational Life, approved by church council in March 2020, will be sent to the Southern New England Conference to start a national search. We welcome comments from church members. Search team members as of July 2021 are <u>Chris Brady</u> (chair), <u>Kim Fodor Fernandez</u>, <u>Jane Tonn</u>, <u>Gloria Hwang-Forzano</u>, <u>Vanessa Kiley</u>, Kim Colby and <u>Rev. Dale Azevedo</u>.

Update on Linda's status at BCCUCC

With our Search Committee for a settled Associate Minister starting their work once again, we realize that you may be wondering about the status of Rev. Linda Hartley, our Associate Minister, Designated Term. As you may know, last fall Linda's original contract, scheduled to end on December 31, 2020, was extended to June 30, 2021. Recently, church leadership met with Linda to extend her contract once again, and we are grateful that Linda will be staying on as our

Associate Minister, Designated Term for a while longer. You may also be wondering if Linda will be a candidate for the settled associate position here at Barrington. After prayerful consideration of her call to ministry, Linda has decided not to apply for the settled associate minister position with Barrington, but to enter her own search for a ministerial call as a sole pastor. Until such time as Linda receives a call, or we find our new settled associate, we continue to be grateful for her presence as part of our ministry team. We will continue to keep you updated.

'Peaceful Pause and Prayer' resumes

Dale will resume these morning meditations at **8** am on **Tuesday & Thursday** mornings, beginning July 20th. Each meditation provides moments for reflection, music, scripture, and silence. They can be watched on our Facebook page at <u>www.facebook.com/bccucc</u> or on the livestream page of our website at https://bccucc.org/live-

<u>stream-2/</u> and will remain available for later viewing on both platforms if you can't watch live.

Softball update

BCCUCC's third game of the season was canceled as the fields had been closed by the town due to all of the rain we'd had. Upcoming games are at 6 pm at <u>Bicknell Field</u> (located at the end of Walnut Rd off Lincoln) on **Thurs, Jul 22nd** vs St. John's and on **Tues, Jul 27th** vs St James. Any interested men aged 30+ or women aged 16+ who would enjoy playing for BCCUCC's team are invited to contact Tom Strolla at <u>ostrolla@cox.net</u> or (401) 533

- 7081. It's fun and new players are always most welcome. Spectators are welcome to come and cheer them on! Season schedule of games

Book Group for August

The Book Group will next meet on Tuesday, August 24th at 9:30 am. at the Cafe Water Street, 279 Water Street, Warren if the weather is pleasant. If it is a rainy day, we will meet at the same time via Zoom. They will be discussing *The Unseen World* by Liz Moore. For more information about the group, contact Helen Schall at

helenschall@hotmail.com or 401 245-4724. All are welcome to participate. If needed the zoom information was in the eBridge emailed to the congregation. It is not included here for security reasons.

Deacons Fund donates to Tapln

The deacons recently made a \$500 donation to TapIn from the Deacons Fund, and received a very nice thank you note from the TapIn President. A couple of weeks ago TapIn installed a refrigerator and freezer which now allows them to offer dairy items, meats, and frozen fruits

and vegetables to their clients. Read the letter to learn about another new service being offered.

The deacons would like to thank the congregation for their donations to the Deacons' Fund which made the donation to TapIn possible.

Upcoming Sundays at BCCUCC

Multi-platform Worship - Sundays 9:30 am

All are invited to join us for our multi-platform worship service at 9:30 a.m. during the summer.

For those attending in person, we continue to take precautions to provide the safest conditions possible

for everyone, and so there are **guidelines** in place. If you plan to worship with us in person in the sanctuary we ask that you read them ahead of time. Of particular note is that we're asking everyone, regardless of their vaccination status, to wear a mask. This is particularly important to keep our children safe as they haven't had the opportunity to be vaccinated yet. Thank you.

For those who are not yet ready to return to our sanctuary, or are not able to, the services will continue to be livestreamed so they can be watched online the same links before: at as www.facebook.com/bccucc or https://bccucc.org/live-stream-**2**/.

We continue to experience some technical difficulties with the livestream but are working hard to sort them out. Thank you for your continued patience.

We look forward to you joining us for worship - whether in person or online.

Support the 'Break Free from Plastic Pollution Act' of 2021

This Plastic Free July, we're bringing you the opportunity to make a difference. Send a message to your Member of Congress asking them to support the **Break Free From Plastic Pollution Act** by clicking on the following link: <u>TAKE ACTION</u>

The Break Free From Plastic Pollution Act will tackle the escalating crisis of plastic pollution and transform waste and recycling management in the U.S. Highlights include:

- Phasing out single-use plastics that aren't recyclable
- Creating a nationwide beverage container refund program
- Prohibiting the export of plastic waste to developing countries
- Pausing construction of any new plastic-making plants
- Holding manufacturers and producers accountable for waste management and recycling

It's time to add the burden of cleaning up onto the companies responsible — and not just leaving consumers to shoulder the load. Send a message to Congress today.
