An occasional publication of  
Barrington Congregational  
Church, United Church of Christ

## Welcome to the eBridge Extra!

We received information about three things after the latest eBridge went out. We couldn't wait until the next eBridge is published on October 8th to share them with you - so welcome to the **eBridge Extra!** - a new and occasional (as needed) publication of BCCUCC. The information included below is ALL NEW!!

## We're holding another 'Parking Lot Prayers'

### Here's a chance to gather with church friends in a safe way

On **Saturday, October 10th**, we are once again inviting the whole church family to gather for a short time of sharing and prayers in the church parking lot. Although the whole church community is invited, we can **only have 40 cars in attendance**. This gathering will follow RI safety guidelines.

**Preregistration is required** through [SignUpGenius](#) (use this link) or by contacting the church office (401) 246-0111 or [office@bccucc.org](mailto:office@bccucc.org).

Cars will park every other space. People can exit their cars but must wear a mask and remain in their parking space. We will again provide a way for those who wish to share some of their prayers or thoughts with those gathered. **The prayers will begin at 9:30 am** and we expect to wrap up by 10. (*Please arrive about 10 mins early so that we can begin on time.*) This time we hope to be successful in recording the event and livestream it on Facebook for those who cannot attend.

Sign up and join us! If you wish to share a short prayer of gratitude, hope, or need; or you'd like to volunteer to help out, please let us know that when you sign up.

## Please join the 'Go in Love' video

## We want everyone singing in our group video!

At last Sunday's worship service, Dale talked about a vision to have everyone in the congregation be part of a video singing 'Go In Love'. The information about this project wasn't in the latest eBridge as it wasn't yet ready - despite what Dale said! So here now is what you need to know.

You're invited to add yourselves to our group singing project for the Benediction song "Go In Love"!

You just need some kind of phone or other device that can record a video. We're not looking for perfect singing, just lots of faces singing in joyful noise! (Reluctant singers do better with partners!) Our vision is to try to have all active members and their families participate - we want to see you!

[The files are here in the "Go In Love Project" folder on Google Drive \(click here\).](#)

There are several options for how to make a video of yourself:

1. **Record Yourself:** In the Google Folder (above) you will find two videos: "GoInLove\_SheetMusic.mp4" or "GoInLove\_Text.mp4". Each video has Marina playing the music plus either the sheet music or just the words onscreen. Make a video of yourself singing along to the videos...Or use the PDF to read the words and sing along with the MP3 audio file! (You can also record without earphones - that works too)
2. **Record with Erik using Zoom:** Send email to Erik to make an appointment to sing.

You can contact Erik at [elaerik@mac.com](mailto:elaerik@mac.com) to record on Zoom; if you have questions; or are ready to send your video.

*If you missed hearing Dale talking about the project and then seeing the sample 'Go in Love' video at the end of last Sunday's service, you can find the recording of the September 27th service on our website [at this link](#) at just past the 55 min mark.*
